Note: paras. B1.12, 1.13 MPF Code

- 5.2 The Net Asset Value of a Constituent Fund shall be determined by valuing the assets of such Constituent Fund and deducting the liabilities attributable to such Constituent Fund. In making such determination the following provisions shall apply:-

- 5.2.1 In the case of any investment which is a unit, share or other interest in a Collective Investment Scheme the value thereof shall be calculated by reference to the latest available net asset value of such unit, share or other interest (where available) or (if the same is not available) the latest available bid price for such unit, share or other interest;
- 5.2.2 In the case of any investment not included in Clause 5.2.1 which is listed, quoted or dealt in on a Approved Stock Exchange or Approved Futures Exchange the value thereof shall be calculated by reference to the last traded price thereof;

- 5.2.6 Dividend payments on securities which are quoted on or dealt in on a Approved Stock Exchange shall be deemed to be received on the date on which the investment is first quoted ex the dividend payment in question;

- 5.2.8 Every Unit of a class relating to such Constituent Fund issued as at a date prior to the date as at which the valuation is made and not subsequently cancelled shall be deemed to be in issue, provided that such Constituent Fund shall not include the Units of the relevant class or classes to be issued on the date as at which the valuation is made;
- 5.2.9 Where, in accordance with this Deed, Units of a class relating to a Constituent Fund have been realised but payment in respect of such realisation has not been completed, the Units in question shall be deemed not to be in issue and the realisation proceeds thereof shall be deducted from the relevant Constituent Fund, provided that no deduction shall be made in respect of Units of the relevant class or classes to be cancelled on the date as at which the valuation is made;
- 5.2.10 There shall be included in the assets an amount equal to the appropriate portion for such Constituent Fund of the total of the costs, charges, fees and expenses incurred in establishing the Plan and referred to in Clause

33 less the amount thereof which has previously been or is then to be written off;

5.2.12 Amounts expressed in currencies other than Hong Kong dollars shall be converted into Hong Kong dollars at such prevailing rates of exchange as the Trustee shall consider appropriate.

Notwithstanding the foregoing, the Trustee may make such adjustments as it thinks appropriate to take account of any other assets or liabilities attributable to the relevant Constituent Fund not otherwise reflected in a valuation or to provide a fairer attribution of assets and liabilities as between the Constituent Funds.

5.3 In calculating the Net Asset Value of the MPF Conservative Fund as at any Valuation Date, the Trustee shall have regard to all relevant information available to the Trustee on that Valuation Date to enable compliance with section 37 of the Regulation in respect of the MPF Conservative Fund. Any accruals made in respect of the MPF Conservative Fund as at a Valuation Date may be adjusted in the light of information which becomes available to the Trustee after such Valuation Date but no valuation of the MPF Conservative Fund or the calculation of the Issue Price or Realisation Price of any class of Units relating to the MPF Conservative Fund shall be re-opened or invalidated as a result of any such adjustment.

5.4 The Trustee shall decide conclusively:-

5.4.1 the period to which any income, expenses or liabilities are to be attributed (and in particular, but without prejudice to the generality of the foregoing, where the annual accounts are to be made up to a date which is not a Valuation Date, the Trustee may in its absolute discretion decide whether income and expenses accruing between the last Valuation Date in the relevant Accounting Period and the last day of such Accounting Period are to be taken into account in such Accounting Period or carried forward to the next Accounting Period); and

5.4.2 how any taxation to which the Plan is or may be subject is to be treated.

5.5 In order to determine the Net Asset Value of a Unit of a particular class related to a Constituent Fund, the Net Asset Value of the Constituent Fund shall be calculated before the deduction of any liabilities or the addition of any assets attributable specifically to the class in question; such amount shall be apportioned between each class of Units relating to such Constituent Fund by reference to the numbers of undivided shares in the relevant Constituent Fund represented by all Units of each class relating to such Constituent Fund in issue; the liabilities and assets specifically attributable to the class of Units in question shall be deducted from or added to such apportioned amount; and the resulting sum shall be divided by the number of Units

of the relevant class in issue immediately prior to the relevant Valuation Date for such class of Units.

5.6 The Issue Price of a Unit of a class shall be:-

5.6.1 on the first issue of such Units, HK\$10.00 or such other amount as the Sponsor and the Trustee may agree prior to the first issue of such Units;

5.7 The Realisation Price of a Unit of a class on a Valuation Date shall be the Net Asset Value per Unit of the relevant class as at that Valuation Date, rounded to 4 decimal places or such other number of decimal places as the Trustee and the Sponsor may agree, either generally or in respect of a particular Constituent Fund or Constituent Funds (with smaller fractions rounded in such manner as the Trustee and the Sponsor may agree) from time to time PROVIDED THAT the Trustee may (save in respect of a Unit of a class relating to the MPF Conservative Fund, otherwise than to the extent permitted by the Regulation) assess and impose such deduction (if any) in respect of Units to be realised as shall in the conclusive estimation of the Trustee be appropriate in order to compensate for the difference between the prices at which assets

comprised in the Constituent Fund to which such Units relate are to be valued in accordance with the provisions of this Deed and the net proceeds which would be received on the realisation of such assets or the breaking of any Deposit comprised in such Constituent Fund and for any relevant expenses including, without limitation, any stamp duty, other taxes, duties or governmental charges, brokerage, bank charges or transfer fees.

5.8 Subject to the approval of the Authority and the Commission, the Trustee may change the methodology of determining the Issue Price and/or the Realisation Price of a Constituent Fund by giving not less than one (1) month's prior notice (or such other period of notice as the Commission and the Authority may agree or require) to the Members and Employers.

6. SUSPENSION OF VALUATION

Note: paras. B1.20, B1.21 MPF Code

6.1 Unless otherwise prohibited by the MPF Ordinance or the Regulation, the Trustee may declare a suspension of the determination of the Net Asset Value of any Constituent Fund:-

6.1.1 during any period when any stock exchange or other market on which any of the investments for the time being held for the account of such Constituent Fund are quoted is closed otherwise than for ordinary holidays; or

6.1.2 during any period when any dealings on any such stock exchange or other market are restricted or suspended; or

6.1.3 during the existence of any state of affairs as a result of which disposal of investments for the time being comprised in such Constituent Fund cannot in the opinion of the Trustee be effected normally; or

- 6.1.4 during any breakdown in the means of communication normally employed in determining the value of such Constituent Fund or part thereof or the Issue Price or Realisation Price of Units of the class or classes relating to such Constituent Fund or when for any other reason the value of any investment for the time being comprised in such Constituent Fund and representing a significant part of the value thereof cannot be promptly and accurately ascertained; or
- 6.1.5 during any period when the realisation of any investments for the time being comprised in such Constituent Fund or the transfer of funds involved in such realisation cannot in the opinion of the Trustee be effected at normal prices or normal rates of exchange respectively; or
- 6.1.6 during any suspension of payment of Accrued Benefits from the Plan pursuant to the Regulation.

Such suspension shall take effect forthwith upon the declaration thereof and thereafter there shall be no determination of the Net Asset Value of the relevant Constituent Fund or the Issue Price or Realisation Price of Units of the class or classes relating to such Constituent Fund until the Trustee shall declare the suspension at an end, except that the suspension shall terminate in any event on the day following the first Business Day on which the Trustee in its sole discretion determines that:-

- (i) the condition giving rise to the suspension shall have ceased to exist; and
- (ii) no other condition under which suspension is authorised under this sub-clause shall exist.

6.2 Each declaration by the Trustee pursuant to this Clause shall be consistent with such official rules and regulations, if any, relating to the subject matter thereof as shall have been promulgated by any authority having jurisdiction over the Plan or the relevant Constituent Fund and as shall be in effect at the time. To the extent not inconsistent with such official rules and regulations, and subject to the foregoing provisions hereof, the determination of the Trustee shall be conclusive.

6.3 Whenever the Trustee shall declare a suspension of the determination of the Net Asset Value of any Constituent Fund under the provisions of this Clause, the Trustee shall:-

- 6.3.1 as soon as practicable after such declaration, notify the Authority of such suspension;
- 6.3.2 as soon as may be practicable after any such declaration and at least once a month during the period of such suspension, cause a notice in one Hong Kong daily English language newspaper and one Hong Kong daily Chinese language newspaper (in each case, in which such Constituent Fund's prices are normally published) stating that such declaration has been made.
- 6.4 No Units of a class relating to a Constituent Fund may be issued, realised or switched during any period when the determination of the Net Asset Value of such Constituent Fund is suspended. The Trustee shall be under no obligation to calculate or publish the Issue Price or Realisation Price of Units of the relevant class or classes during any period of suspension as provided in this Clause 6.
- 7. ISSUE AND REALISATION OF UNITS**
- 7.1 For convenience in the administration of the Plan, each Constituent Fund shall be divided into Units. The Trustee shall have the power to issue and realise Units relating to a Constituent Fund on each Valuation Date, subject to and in accordance with this Deed. The number of Units issued shall be rounded down to four (4) decimal places or such other number of decimal places as the Trustee and the Sponsor may agree, either generally or in respect of a particular Constituent Fund or Constituent Funds (with smaller fractions rounded in such manner as the Trustee and the Sponsor may agree) from time to time. Where there is more than one class of Units in issue in relation to a Constituent Fund and Units relating to that Constituent Fund are to be issued in accordance with this Deed, the Sponsor shall (subject to any relevant Participation Agreement) have an absolute discretion to determine the class of Units which are so issued.
- 7.2 Units of a class shall be issued at the Issue Price per Unit of such class as at the Valuation Point on the appropriate Valuation Date.
- 7.3 Units are not transferable by any Employer or Member.
- 7.4 Any commission, remuneration or other sum payable by the Sponsor to any agent or other person in respect of the issue or sale of any Unit shall not be added to the price of such Unit but shall be paid by the Sponsor out of the assets of the Sponsor.

- 7.5 Units of a class shall be realised at the Realisation Price per Unit of such class as at the Valuation Point on the appropriate Valuation Date.
- 7.6 With a view to protecting the interests of all Members the Trustee shall be entitled but shall not be obliged to limit the total number of Units relating to a Constituent Fund realised on any Valuation Date to 10 per cent. of the total Net Asset Value of such Units in issue (disregarding any Units which are to be issued on such Valuation Date). Such limitation shall apply to all Members in respect of whom Units of the class or classes relating to the relevant Constituent Fund are to be realised on such Valuation Date so that the proportion of Units realised in respect of each Member is the same proportion by value for all such Members. Any Units which, by virtue of the powers conferred on the Trustee hereby, are not realised shall be realised (subject to any further application of the provisions of this sub-clause) on the next succeeding Valuation Date for the Units of such class. If realisations are carried forward as aforesaid, the Trustee will give notice to the Members affected thereby within seven days of such Valuation Date that such Units have not been realised and that (subject as aforesaid) they shall be realised on the next succeeding Valuation Date for the relevant class of Units and on each Valuation Date thereafter until all outstanding realisations have been effected in full.

The Trustee may from time to time by notice in writing to the Sponsor reduce the appropriate percentage per annum or fix a scale of percentages per annum (none of them exceeding the said percentage per annum) reducing according to the size of (i) that part of the relevant Constituent Fund to which the relevant class of Units relates (such part being calculated by reference to the number of undivided shares in the relevant Constituent Fund represented by Units of the relevant class in issue) or (ii) of the Constituent Fund to which the class of Units relates (iii) of the Plan or (iv) of the relevant Constituent Fund and other specified Constituent Funds as may be agreed by the Trustee and the Sponsor (in aggregate), on the relevant Valuation Date or, for the purposes of determining the relevant size, the previous Valuation Date and in the event and for such period as may be specified in such notice (or if no period is

so specified then until further notice in writing shall be given to the Sponsor cancelling the previous notice) such revised percentage per annum or scale of percentages per annum shall be the appropriate percentage per annum for such class of Units but any such notice shall be ipso facto cancelled if the Trustee who gave such notice in writing as aforesaid ceases to be Trustee of the Plan. The Trustee may, after consulting the Sponsor and subject to the prior approval of the Authority and the Commission, increase the maximum level of rate of the monthly Trustee's Fee as specified in this Clause on giving not less than three months' notice or such other period of notice as the Authority and the Commission may agree or require, of such increase to affected Members.

The Trustee shall also be entitled to an establishment fee on establishment of the Plan.

28.6 The Trustee shall in addition be entitled to retain for its own absolute use and benefit any other fees paid to it out of the assets of the Plan pursuant to any other provision of this Deed.

The "**appropriate percentage per annum**" shall be 1 per cent. per annum. The Sponsor may from time to time by notice in writing to the Trustee reduce the appropriate percentage per annum or fix a scale of percentages per annum reducing according to the size of (i) that part of the relevant Constituent Fund to which the relevant class of Units relates (such part being calculated by reference to the number of undivided shares in the relevant Constituent Fund represented by Units of the relevant class in issue) or (ii) of the Constituent Fund to which the class of Units relates (iii) of the Plan or (iv) of the relevant Constituent Fund and other specified Constituent Funds (in aggregate), on the relevant Valuation Date or, for the purposes of determining the relevant size, the previous Valuation Date and in the event and for such period as may be specified in such notice (or if no period is so specified then until further notice in writing shall be given to the Trustee cancelling the previous notice) such revised percentage per annum or scale of percentages per annum shall be the appropriate percentage per annum for such class of Units but any such notice shall be ipso facto cancelled if the Sponsor who gave such notice in writing as aforesaid ceases to be Sponsor of the Plan. The Sponsor may subject to the prior approval of the Authority and the Commission, increase the maximum level of rate of the monthly Sponsor's Fee as specified in this Clause on giving not less than three months' notice or such other period of notice as the Authority and the Commission may agree or require, of such increase to affected Members

The assets of which the Plan for the time being consists shall be the only source to which persons who acquire rights under the Plan may look for the payment of any monies due to them pursuant to such rights provided that nothing herein shall be deemed to affect any rights such persons may have under or pursuant to the MPF Ordinance or against any relevant Employer.
- 38.2 Neither the Trustee nor the Sponsor shall incur any liability in respect of any action taken or thing suffered by them in reliance upon any notice, resolution, direction, consent, certificate, affidavit, statement, certificate of stock, plan or reorganisation or other document of title, or other paper or document believed to be genuine and to have been passed, sealed or signed by the proper parties including themselves or their officers.
- 38.3 The Trustee and the Sponsor shall be entitled to rely and act on any guidelines, codes or other information published by the Authority or the Commission and relating to Registered Provident Fund Schemes and shall not incur any liability to Employers or Members as a result of so relying and acting. Neither the Trustee nor the Sponsor shall incur any liability to Employers or Members for doing or failing to do any act or thing which by reason of any provision of any present or future law or regulation or of any decree, order or judgment of any Court or by reason of any request, announcement or similar action (whether of binding legal effect or not) which may be taken or made by any person or body acting with or purporting to exercise the authority of any government (whether legally or otherwise) either they or either of them shall be directed or requested to do or perform or to forbear from doing or performing. If for any reason it becomes impossible or impracticable to carry out the provisions of this Deed neither the Trustee nor the Sponsor shall be under any liability therefor or thereby.
- 38.4 Neither the Trustee nor the Sponsor nor their duly appointed agents shall be responsible for the authenticity of any signature on or any seal affixed to any form of

- 38.6 Nothing in this Deed shall be construed so as to prevent the Sponsor or the Trustee in conjunction or separately from establishing or acting as sponsor, manager, adviser, trustee, successor trustee, custodian, administrator or otherwise for trusts separate and distinct from the Plan and retaining any remuneration, profit or benefit made in connection with such other trusts or engaging in any activity whatsoever and receiving for their own use and benefit any remuneration, profit or benefit derived therefrom.

No decision of or exercise of a power or discretion by the Trustee or the Sponsor shall be invalidated or questioned on the ground that the Trustee or the Sponsor or any of their Associates had by reason of being the investment manager, investment adviser, trustee, custodian or administrator of any Collective Investment

Scheme or otherwise a direct or other personal interest in the result of such decision or of exercising such power or discretion.

- 38.8 The Trustee may act in accordance with section 25 of the Trustee Ordinance of Hong Kong and the Trustee and the Sponsor may act upon any advice or information obtained from any Service Provider, bankers, accountants, brokers, lawyers, agents or other persons acting as agents or advisers either of the Trustee or of the Sponsor and shall not be liable for anything done or omitted or suffered in good faith in reliance upon such advice or information. - 38.9 Except as otherwise expressed in this Deed, the Trustee and the Sponsor shall as regards all the trusts, powers, authorities and discretions vested in each of them have absolute discretion as to the exercise thereof whether in relation to the manner or as to the mode of and the time for the exercise thereof. In the absence of fraud or negligence neither the Trustee nor the Sponsor shall be in any way responsible for any loss, costs, damages or inconvenience that may result from the exercise or non-exercise thereof.
- 38.10 Nothing in this Deed shall prevent the Trustee or the Sponsor or any of their Associates from contracting or entering into any financial, banking or other transaction with one another or with any Employer or Member or any company or body any of whose shares or securities form part of the Plan or from being interested in any such contract or transaction and the Trustee and the Sponsor and their Associates shall not be in any way liable to account to the Plan or the Employers or the Members or any of them for any profit or benefit made or derived from any such transaction or contract.

38.11 In the absence of fraud or negligence by the Sponsor or the Trustee respectively, they shall not incur any liability by reason of any error of law or any matter or thing done or suffered or omitted to be done by them in good faith under the provisions of this Deed and in particular, but without prejudice to the generality of the foregoing, neither the Sponsor nor the Trustee shall, in ascertaining the value of any investment, be under any liability by reason of the fact that a price reasonably believed to be the last published traded price or midway between the latest available market dealing offered price and the latest available market dealing bid price, for the time being may be found not to be such.

38.12 Nothing in this Deed shall prevent the Trustee or the Sponsor from buying, holding and dealing in any investments upon their respective individual accounts notwithstanding those similar investments may be held under this Deed as part of the assets of the Plan. 15A.3 After the redemption proceeds have been paid to the relevant Member under this Rule 15A, his Combined Balance shall be reduced accordingly.

15A.4 Any redemption under this Rule 15A shall be effected in accordance with the provisions of Clause 7 as at the Dealing Day as soon as reasonably practicable after the Trustee has received, reconciled and validated the written request for redemption submitted by the Member. 17. PRESERVATION OF ACCRUED BENEFITS DERIVED FROM MANDATORY CONTRIBUTIONS

S.13 Notwithstanding anything contained in this Deed, the Rules and/or the Application Form, for the purposes of preserving Accrued Benefits derived from Mandatory Contributions in the Plan:

- (a) the Trustee shall not pay or otherwise dispose of any part of those Accrued Benefits derived from Mandatory Contributions to any Member or any other person otherwise than in accordance with the provisions of the MPF Ordinance or the Regulation;
- (b) no Member shall have any right or entitlement to those Accrued Benefits derived from Mandatory Contributions otherwise than in accordance with the provisions of the MPF Ordinance and the Regulation.

18. PORTABILITY OF BENEFITS

R.146
S.14 18.1 18.1.1 Subject to the provisions of the MPF Ordinance and the Regulation (including without limitation Section 14 of the MPF Ordinance and Section 146 of the Regulation), if Accrued Benefits of an Employee Member are held in a Contribution Account in the Plan and the Employee Member ceases to be employed by an Employer or in other circumstances permitted under the MPF Ordinance and the Regulation, the Employee Member may elect to have those benefits transferred to:

- (a) a Preserved Account in the Plan; or
- (b) an account in another master trust scheme nominated by the Employee Member; or
- (c) an existing account of the Employee Member in an industry scheme; or
- (d) if the Employee Member subsequently becomes employed by another employer, the contribution account in the Registered Provident Fund Scheme in which the new employer is participating in relation to that Employee Member,

PROVIDED THAT where (i) the Employee Member has made Special Voluntary Contributions pursuant to Rule 3.2.3, (ii) the Employee Member has elected to transfer his Accrued Benefits to another Registered Provident Fund Scheme pursuant to this Rule 18.1.1, and (iii) the Trustee is notified (either by the Employee Member, the trustee of that Registered Provident Fund Scheme or otherwise) that such Registered Provident Fund Scheme does not have provisions equivalent to the Plan relating to the vesting and payment of Special Voluntary Contributions, then the Employee Member shall be deemed to have made an election to treat the benefits accrued in his Employee's Special Voluntary Sub-Account separately from his other Accrued Benefits and to transfer such benefits to a Preserved Account in the Plan.

R.146(4) 18.1.2 An election under this Rule 18.1 is effective,

- (a) in relation to a Preserved Account in the Plan, when written notice of the election is given to the Trustee; and

18.1.3 If the Employee Member elects to have the Accrued Benefits transferred to a Preserved Account under Rule 18.1.1(a) such transfer should be done by way of transfer of any Units in specie from the Contribution Accounts concerned directly to the relevant Preserved Account in accordance with the holdings of the Contribution Account concerned at the time the transfer is effected. Further, if no new Investment Mandate is received by the Trustee at the time when such election is made and when the Preserved Account is being first set up, for the purposes of the relevant Preserved Account, the Employee Member's Investment Mandate applicable to the Contribution Account concerned, if any, shall be deemed to apply in respect of his accrued benefit in the Preserved Account and any further transfer payment into the Preserved Account from any scheme or arrangement of which the Member is also a member;

PROVIDED THAT the Trustee shall have the absolute discretion to effect such transfer in such manner as the Trustee thinks fit including, but not limited to, transferring any Units in specie from the Contribution Accounts concerned directly to the relevant Preserved Account.

R.146(10)18.2 If an Employee Member fails to notify an election in accordance with Section 146 of the Regulation within 3 months (or such other period as may be prescribed by the MPF Ordinance or the Regulation) after the Trustee has been notified that the Employee Member has ceased to be employed by the Employer:

- (a) the Employee Member is taken at the end of that period to have elected to have his Accrued Benefits held in the Contribution Account concerned in the Plan transferred to a separate Preserved Account in the Plan; and
- (b) the Trustee is taken at the end of that period to have been notified of the election.

For the purpose of transferring the Accrued Benefits under Rule 18.2(a) above, the Trustee shall have the absolute discretion to effect such transfer in such manner as the Trustee thinks fit including, but not limited to, transferring any Units in specie from the Contribution Accounts concerned directly to the relevant Preserved Account. Further, if no new Investment Mandate is received by the Trustee at the time when such transfer is made and when the Preserved Account is being first set up, for the purposes of the relevant Preserved Account, the Regular Employee Member's Investment Mandate applicable to the Contribution Account concerned, if any, shall be deemed to apply in respect of his accrued benefit in the Preserved Account and any further transfer payment into the Preserved Account from any scheme or arrangement of which the Regular Employee Member is also a member.

- (d) if the Self-Employed Member subsequently becomes employed by an employer, to the contribution account in the Registered Provident Fund Scheme in which the employer is participating in relation to the Self-Employed Member,

PROVIDED THAT where (i) the Self-Employed Member has made Special Voluntary Contributions pursuant to Rule 3.2.3, (ii) the Self-Employed Member has elected to transfer his Accrued Benefits to another Registered Provident Fund Scheme pursuant to this Rule 18.3, and (iii) the Trustee is notified (either by the Self-Employed Member, the trustee of that Registered Provident Fund Scheme or otherwise) that such Registered Provident Fund Scheme does not have provisions equivalent to the Plan relating to the vesting and payment of Special Voluntary Contributions, then the Self-Employed Member shall be deemed to have made an election to treat the benefits accrued in his Self-Employed Member's Special

Voluntary Sub-Account separately from his other Accrued Benefits and to transfer such benefits to a Preserved Account in the Plan.

R.148(8) 18.4

If an Self-Employed Member fails to elect in accordance with Section 148 of the Regulation within 3 months after the Trustee has been notified that the Self-Employed Member has ceased to be self-employed:

- (a) the Self-Employed Member is taken at the end of that period to have elected not to have his Accrued Benefits held in his Contribution Account transferred under this Rule 18.4 but to retain the benefits in that account; and

18.6

Subject to the provisions of Sections 156 and 157 of the Regulation and PROVIDED THAT all the information requested by the Trustee in relation to the transfer has been given to the Trustee, the Trustee shall, within thirty (30) days (or such other period as may be prescribed by the MPF Ordinance or the Regulation) after being notified of an election by the approved trustee of another Registered Provident Fund Scheme pursuant to Section 153 of the Regulation, take all practicable steps to ensure that all the Accrued Benefits concerned are transferred in accordance with the election. As soon as practicable after making a transfer payment to another Registered Provident

Fund Scheme, the Trustee must provide the outgoing Members concerned a transfer statement containing the information set out in Section 154(1) of the Regulation.

- R.153(3) 18.7 Subject to the provisions of Sections 156 and 157 of the Regulation, the Trustee shall, within thirty (30) days (or such other period as may be prescribed by the MPF Ordinance or the Regulation) after being notified of an election under Rule 18.1.1(a) or within thirty (30) days after being taken to have been notified of an election under Rule 18.2 arrange for the Accrued Benefits concerned to be transferred to the relevant Preserved Account in accordance with the election.
- 18.8 After the making of a transfer payment under the Rule or otherwise under the MPF Ordinance and/or the Regulation, the Members concerned, the Employer of such Members and any other person who would receive a benefit in respect of the Members shall have no claim under the Plan in respect of the benefits to which the payment relates and the Trustee and the Trust Fund shall be discharged of all liability for payment of those benefits to the Member and any other person.
- R.151 18.9 An election made under this Rule 18 must be in a form specified or approved by the Authority.
- R.152 18.10 If, within 30 days (or such other period as may be prescribed by the MPF Ordinance or the Regulation) after the Trustee has been notified that a Member has ceased to be employed by an Employer or ceased to be self-employed, the Member has not given written notice of an election under Part XII of the Regulation, the Trustee must, by written notice, inform the Member of:
- (a) the different options that the Member has with respect to the transfer of Accrued Benefits and the time within which the Member may elect to exercise one of those options; and
 - (b) the consequences of not electing to exercise one of those options within that time.
- R.34 18.11 For the avoidance of doubt, no fees shall be charged and no financial penalties shall be imposed for transfer made in accordance with this Rule 18, other than actual and reasonable expenses incurred by the Trustee as a result of redeeming and/or acquiring Units in the relevant Constituent Funds.

19. PAYMENT OF BENEFITS

R.166

- 19.1 19.1.1 Where a Member becomes entitled to Accrued Benefits pursuant to this Deed, unless the Member and the Trustee agree otherwise, the Trustee shall upon receipt of withdrawal request from a Member realise the Units standing to the credit of the Member's relevant sub-accounts on a Dealing Day as soon as practicable but, in any event no later than the period set out in the Principal Brochure of the later of (i) the date the Member becomes entitled to such Accrued Benefits, and (ii) the date the Trustee receives satisfactory notice and supporting documentation of such entitlement.

- 19.1.3 Subject to Section 167 of the Regulation and PROVIDED THAT all of the following conditions are satisfied, the Trustee must ensure that, not later than 60 days (or such other period as may be prescribed by the MPF Ordinance or the Regulation) after a claimant has lodged the claim, the relevant Accrued Benefits are paid to the claimant together with all outstanding contributions and contribution surcharges paid to the Trustee in respect of the Member since the lodgement of the claim,

- (a) a claim for the payment of a Member's Accrued Benefits is lodged with the Trustee in accordance with Part XIII of the Regulation;
- (b) the claimant satisfies the Trustee that the claimant is entitled to be paid those benefits; and
- (c) at the time of the lodgement of the claim, there are outstanding contributions or contribution surcharges in respect of the Member.

R.169 19.1.4 If after paying Accrued Benefits to a claimant in accordance with Rule 19.1.2 or 19.1.3, the Trustee receives an outstanding contribution or contribution surcharge for the benefit of the claimant, the Trustee must pay the contribution or surcharge to the claimant as soon as practicable after receiving it.

- (a) the name of the Trustee, the name of the Plan and the account number of the account from which the payment is made;

- 19.5 19.5.1 Subject to any prevailing legal restrictions, the Trustee shall make payment of moneys due to an Employer or Member in accordance with the provisions of the Plan in Hong Kong dollars or such other currency as the Trustee sees fit or in such other currency as may be agreed between the relevant recipient and the Trustee. 21. MISCELLANEOUS

- S.16 21.1 Any benefit under the Plan shall be strictly personal and non-assignable. No part of any Accrued Benefits derived from Mandatory Contributions kept under the Plan shall be taken in execution of a judgment debt or be the subject of any charge, pledge, lien, mortgage, transfer, assignment or alienation by or on behalf of a Member and any purported disposition to the contrary is void.
- R.170-174 21.2 Any benefit which is not claimed after the date on which it becomes payable shall be treated in accordance with the provisions in Part XIII of the Regulation relating to Unclaimed Benefits.
- S.16 21.3 21.3.1 The interest of any Employee Member or any other person derived from Employer's Voluntary Contributions kept under the Plan shall stand charged with the following payments to an Employer:
- (a) any debts or liabilities owed by the Employee Member to the Employer arising out of any criminal, negligent or fraudulent act or omission of the Employee Member;
 - (b) any debts, liabilities or any other indebtedness owed by the Employee Member to the Employer and acknowledged in writing by such Employee Member; and
 - (e) any amount paid by the Employer to the Employee Member as severance payment or long service payment under the Employment Ordinance.
- The Trustee may rely on a certificate (in such form as prescribed by the Trustee) from the Employer for the purposes of proving the debts or liabilities in paragraphs (a) and (b) above, notwithstanding the requirement in paragraph (b).
- 21.3.2 Where any liability arises to pay any tax or other expense in respect of any benefit under a Plan, the Trustee may deduct the amount payable from the benefit.
- S.12A 21.3.3 The Trustee may, at the request of the Employer and to the extent allowed by laws, reduce any benefit payable under the Plan to an

Employee Member to take account of any severance payment or long service payment payable to that Member under the Employment Ordinance. Subject as otherwise provided in the Application Form and to the extent permitted by the MPF Ordinance, on receipt of such request the Trustee may pay the amount of any such reduction (the "Relevant Amount") to the Employee Member's Employer:

- (a) out of the Vested Balance of the Employer's Voluntary Contributions (if any) of the relevant Employee Member; and
- (b) if after payment under paragraph (a) above any part of the Relevant Amount remains outstanding, out of the Employer's Mandatory Contributions of the relevant Employee Member.

21.3.4 Subject to the operation of Rule 21.3.1, the Trustee may, at the request of the Employer and to the extent allowed by law, forfeit to the Employer's Forfeiture Account any benefit which derives from the Vested Balance of the Employer's Voluntary Contributions to the Plan in respect of an Employee Member who has been dismissed by the Employer (or who has resigned to avoid dismissal) because of fraud, dishonesty or gross misconduct against the Employer. The Trustee may rely on a certificate (in such form as prescribed by the Trustee) of the Employer and any such benefit shall be so forfeited or deemed to be so forfeited as at the date of dismissal PROVIDED THAT, in case of hardship the Trustee may pay the forfeited amount or any part thereof for or towards the maintenance or personal support or otherwise of the Employee Member or his spouse or dependent in such manner and proportion (but so that no payment shall be made to any creditors of the Employee Member) as the Trustee may in its sole discretion determine.

such Vested Balance shall be so forfeited or deemed to be so forfeited to the Trustee as at the date immediately prior to the attempted alienation or bankruptcy order, as the case may be, and the Trustee may hold such forfeited amount in such manner as it sees fit with the power to pay or apply all or any part thereof for the benefit of one or more of the close relatives (as defined in the MPF Ordinance) of the relevant Member as the Trustee may in its absolute discretion determine.

The Trustee shall not exercise the power under this Rule 21.3.5 in any way which would result in a payment to any purported assignee or chargee or the creditors of the Employee Member.

- 21.4 If any mis-statement is made by a Member as to any relevant matter under this Deed, including without limitation his or her dependants' status or age, the Trustee shall be entitled to make adjustments to the benefits payable in respect of the Member.
- 21.5 In the event that Accrued Benefits are required to be transferred from one account ("old account") of a Member to another account ("new account") of the same Member (regardless of whether the two accounts are in the same Participation Plan), the Trustee shall have the absolute discretion to effect the transfer in such manner as the Trustee thinks fit, including, but not limited to, debiting from the old account the relevant Units concerned and crediting such Units to the new account.
- 21.6 Unless otherwise provided in this Deed and the Rules, any monies standing to the credit of the Forfeiture Account of an Employer shall be dealt with in such manner as the Employer and the Trustee may agree.

IN WITNESS whereof the Trustee and the Sponsor have executed this Deed on the day and year first above written.
